How You can Expose the Democrats' "War on Parents" to help Create a "Red Wave" this November

With 78% of all parents in favor of school choice and parental control in education in America, ¹ conservative and Republican candidates should aggressively expose the Democrats' "war on parents" to increase their odds of a significant takeover of Congress this November.

That's because the Biden Administration has declared a "war on parents" to tear down the authority of the traditional family unit to rebuild America into a socialist/Marxist country that they will rule over.

Democrat and Native American activist Wilma Mankiller stated years ago what Biden and the Democrats in Congress understand all too well, that "***whoever controls the education of our children controls the future.***" ²

From education, parental notification on child abortion, to transgender identification, Democrats want to keep parent's out of the decision loop.

Here are some tools and resources to help you educate voters and GOP candidates on how the Democrats are using fear, intimidation, powerful teachers' unions, and the threat of imprisonment to wage a "war on parents" to permanently control America:

I. Useful facts:

- **Biden's Attorney General, Merrick Garland, tells FBI To investigate parents who yell at school officials about Critical Race Theory.** ³
- **Department of Justice Memo labels parents as Domestic Terrorists who oppose school boards.** ⁴
- **Parent arrested for talking about his daughter's sexual assault in school bathroom at school board meeting.** ⁵
- **Mother arrested in attempt to save 14-year-old daughter from unwanted abortion.** ⁶

II. Useful Quotes:

- A moment of unguarded truth: ***“I don’t think parents should be telling schools what they should teach.”*** 2021 Democrat candidate for Virginia Governor, Sept. 21, 2021.
- ***“I don't really understand this idea that parents should decide what's being taught.”*** Nikole Hannah-Jones, 1619 Project founder and *New York Times* staff writer. ⁷
- ***“a war on parents . . . it’s the Biden Administration through a senior cabinet official soliciting the letter . . . used as justification to target parents.”*** Rep. Elise Stefanik, (R-NY-21). Rep. Stefanik states Education Secretary Miguel Cardona solicited the controversial National School Boards Association (NSBA) memo comparing parents to domestic terrorists. ⁸
- Jim Manley, a longtime aide to former Senate Democrat Minority Leader Harry Reid said about Critical Race Theory (CRT) that ***“On a political level it's a real threat that is allowing Republicans to claw back the inroads that Democrats have made in the suburbs over the last couple of election cycles,”*** ⁹
