If you vote Democrat, Democrat politicians will interpret your vote as a "green light" to continue their socialist/Marxist power-grab through vaccines and lockdowns. Send the Democrats a message – **VOTE REPUBLICAN!**

Forward this email to your family, friends, neighbors, fellow churchgoers, and others and urge them to forward this message. Because of Big Media bias and Big Tech censorship along with weak Republican leadership, FedUp PAC's unique program that bypasses these roadblocks can be effective, but only with the help of conservatives like you helping to spread messages like this one.

Send a Message to the Democrats – Vote Republican

Democrats' Vaccine Power-Grab is about Control, not Safety – Here's Why:

- 1.) Democrat lawmakers push a Globalist agenda with a \$17 billion global vaccine package for other countries despite thousands of COVID deaths in America.
- 2.) Democrats remain silent when Biden's CDC Director urges COVID jab for infants 6 months and up.
- 3.) Democrat controlled cities and states, like the District of Columbia and California, mandate COVID-19 shots for school children before they can attend school.
- 4.) Democrats silent on thousands of U.S. Military troops discharged for not getting COVID-19 shots.
- 5.) Democrat state officials unlawfully change voting laws to allow no voter ID's because of COVID-19.
- 6.) Democrat politicians cut police budgets while funding enforcement of COVID social distancing rules where many are fined and arrested.
- 7.) Democrat controlled cities allow strip clubs and tattoo parlors to remain open as essential during the pandemic while ordering places of worship to be closed.

This message that Democrat politicians use vaccines to try to keep power forever has been sent to 1,862,000 grassroots conservatives by FedUp PAC with the goal to reach over 100,000,000 voters before November 8th at a cost of about \$100,000.
