If you vote Democrat, Democrat politicians will interpret your vote as a "green light" to ignore the growing fentanyl drug crisis caused by Communist China killed over 100,000 Americans last year. Send the Democrats a message – **VOTE REPUBLICAN!**

Forward this email to your family, friends, neighbors, fellow churchgoers, and others and urge them to forward this message. Because of Big Media bias and Big Tech censorship along with weak Republican leadership, FedUp PAC's unique program that bypasses these roadblocks can be effective, but only with the help of conservatives like you helping to spread messages like this one.

Send a Message to the Democrats – Vote Republican Democrats Responsible for America's Fentanyl Crisis – Here's Why:

- 1.) Democrats are silent on the fentanyl crisis that caused 100,000 drug overdose deaths last year.
- 2.) Democrats support the Biden open border anti-enforcement immigration policy that allows illegal drugs, including fentanyl, to be smuggled into the United States.
- 3.) Democrats refuse to hold hearings about Communist China fentanyl smuggling into America.
- 4.) Democrats support legalization of drugs, even "hard drugs" like heroin.
- 5.) Democrats support the soft-on-crime approach by big city George Soros-backed prosecutors who refuse to punish drug dealers and other violent criminals.
- 6.) Democrats support 87,000 more IRS agents to audit you but oppose additional border patrol agents to secure our southern border and prevent fentanyl from coming into our country.

This message that Democrat politicians are allowing the Communist China fentanyl drug crisis to continue to kill Americans has been sent to 1,862,000 grassroots conservatives by FedUp PAC with the goal to reach over 100,000,000 voters before November 8th at a cost of about \$100,000.
