If you vote Democrat, Democrat politicians will interpret your vote as a "green light" to continue their assault on parental rights in the effort to corrupt America's youth into socialist/Marxists. Send the Democrats a message – **VOTE REPUBLICAN!**

Forward this email to your family, friends, neighbors, fellow churchgoers, and others and urge them to forward this message. Because of Big Media bias and Big Tech censorship along with weak Republican leadership, FedUp PAC's unique program that bypasses these roadblocks can be effective, but only with the help of conservatives like you helping to spread messages like this one.

Democrats oppose parents having a say or even knowing what schools do with their children Send a Message to the Democrat Politicians – Vote Republican

- 1.) Democrat politicians side with the radical American Federation of Teachers Union that takes the position that parents don't have the right to shape their kids' school curriculum.
- 2.) Democrat politicians promote teaching of gender identity and sexually explicit issues without parents knowing or agreeing to such perverse "education."
- 3.) Democrats are withholding federal school lunch funds from many schools unless schools allow boys in girls' bathrooms and locker rooms which endangers children without any parental involvement.
- 4.) Democrats are cooperating with Planned Parenthood and other radical abortionists promoting laws allowing abortion by school children without parental notification or consent.
- 5.) Democrats are pushing the teaching of Critical Race Theory (CRT) in schools without parental choice resulting in school children being taught that everyone is either a racist oppressor or victim.
- 6.) Democrat politicians oppose efforts to remove sexually explicit books in the school library for all ages that undermine the views and values of parents.

This message that Democrat politicians are waging an assault on traditional values and parental rights has been sent to 1,862,000 grassroots conservatives by FedUp PAC with the goal to reach over 100,000,000 voters before November 8th at a cost of about \$100,000.
