

Georgia Voters Need to know that Democrat Raphael Warnock is a radical anti-police and anti-safety politician who is bad for Georgia and America.

Georgians need to elect Republican Herschel Walker and help make America's cities, communities, and neighborhoods safe.

Radical Incumbent Democrat Senator Raphael Warnock has . . .

- ...aligned himself with and been endorsed by radical groups (Black Lives Matter and The Working Families Party) that want to **DEFUND THE POLICE**, are soft-on-crime, and put the interests of criminals ahead of victims.
- ...supported ending cash bail making it easier for criminals to get back on the street.
- ...repeatedly criticized police, even calling some “thug[s]” and “bullies.”
- ...voted five times to allow prisoners and rioters to receive taxpayer-funded benefits such as stimulus checks during the pandemic. (In 2021, more than 1.1 million prison inmates received nearly \$1 billion in stimulus payments, including 163,000 of them serving life sentences without the possibility of parole.)
- ...voted against increasing funding for prosecutors to ensure that violent criminals are properly detained pretrial.
- ...supported the end to “mass incarceration” – that would allow violent criminals back on our streets.
- ...said that “We need to reimagine policing...” which is code for empty our jails.

I know you've seen what's been going on around Georgia, here are some alarming numbers: ● murders up ● carjackings up 29% in Atlanta alone ● assaults doubled in DeKalb County over the last year ● home invasions rose in Buckhead.

In Atlanta alone the number of police officers out on patrol are down by 1,000. And across Georgia, police forces are facing about a 20% vacancy rate.
