

**Sample Note to vote for Harmeet Dhillon
as the new RNC Chairperson**

Dear RNC Member:

The purpose of the Republican National Committee (RNC) is to win elections for GOP candidates. As a conservative Republican, I am very concerned that the RNC has failed in its mission in the last three elections.

In 2018 we lost the majority of the U.S. House of Representatives, in 2020 we lost the White House and the majority of the U.S. Senate, and last year we failed to take back the U.S. Senate and barely won back the U.S. House despite widespread predictions of a “red wave” because so many important issues favored Republican candidates.

We as a nation still face serious problems caused by the Democrats: open borders, increased crime, economic and inflation issues, destruction of traditional family values, constant attacks on our constitutional freedoms, and many others.

It is time for a change in leadership. We must start winning elections again so that conservative policies can be enacted to stop America from socialist ruin due to Joe Biden and congressional Democrats.

I urge you to vote for Harmeet Dhillon for RNC chairman. She will put us back on the road to winning elections and saving America.
