INDUSTRIAL NETWORKING**

WE HELP YOUR NETWORK OPERATE AT ITS HIGHEST LEVEL.

Industrial Networking

Optimizing your Industrial Internet of Things networking investments is critical to capitalizing on the promise of digital transformation and the IIoT. Rexel Automation provides a full portfolio of industrial IT products and services that support customers logical and physical networking requirements. A structured end to end IT strategy is critical to serving the needs of most manufacturing environments.

Rexel is aligned with partners that address MES, manufacturing networks, integration of manufacturing to information systems, QC tracking and more. Rexel Automation provides unique networking solutions tailored to our customers specific requirements. Aligning customer's business goals, with a strategic network plan, tailored to customer's specific investment strategies is how Rexel ensures customer satisfaction.

INDUSTRIAL NETWORKING SERVICES

Network Monitoring

Rexel's monitoring capabilities ensure network security and reliability, which are critical aspects directly related to operational performance.

Network Certification

Rexel's certified network specialists ensure your network designs meet appropriate certifications delivering optimal performance and security.

Network Assessments And Design

Rexel's tiered network assessment and design capabilities assist clients with evaluating current network architectures for performance, documentation, and expansion planning.

WORKS

INVENTORY MANAGEMENT
SOLUTIONS

Our Inventory solutions help you manage material, reducing waste and loss while improving productivity.

LABOR SAVINGS
SOLUTIONS

We answer your unique productivity challenges with solutions designed to improve labor effectiveness.
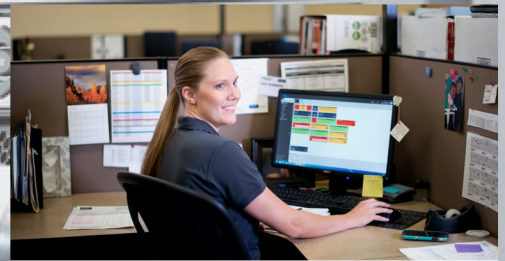

TRAINING & SUPPORT
SOLUTIONS

To maintain a competitive edge, you need up-to-date knowledge. Our training and support services are geared toward tomorrow's success.

JOB MANAGEMENT
SOLUTIONS

Our solutions help you streamline your business, letting you get back to what you do best.

ESERVICES
SOLUTIONS

Get online access to products and services, allowing you to manage your account from anywhere, at any time.

Rexel — Your Go-To Partner for Industrial Networking

At Rexel, our mission is to support all of our partners and help them run a better business. By providing a broad range of innovative products and solutions, we deliver our construction, industrial and facility customers best-in-class service and support.
