SMART CARTS

JOBSITE PRODUCTIVITY – READY TO ROLL

Rexel's Smart Carts efficiently and securely deliver the precise products you need, unpacked, organized and ready to roll. High-Priced labor spends their time installing products instead of searching for them – improving efficiency and saving money. So on your next project, let Smart Carts do the heavy lifting!

HOW IT WORKS

- We stock the carts to meet your needs
- Carts are delivered to your site ready to use
- Material is consumed from the carts
- We pick them up when the job is done or...
- Restock them onsite

FEATURES

- Carts hold up to 40 cu. ft. and up to 2000 lbs!
- Industrial casters for easy maneuverability
- Lockable to improve security
- Steel mesh provides full visibility
- Adjustable shelving
- Includes forklift sleeves and crane lift eyes

HOW YOU SAVE

- Reduces wasted labor
- Curtails overspending
- Slashes material costs
- Reduces back orders
- Streamlines reordering
